1. Information on this website (including our Webshop) is provided "AS IS" without warranty of any kind, either express or implied, including, but not limited to, the implied warranties of merchantability, suitability for a particular purpose, or non-infringement.
2. This website and its contents are provided for your convenience only. Although Logic Technology BV has attempted to provide accurate information on this website, it assumes no obligation or responsibility regarding the accuracy of the information whatsoever. Logic Technology BV is allowed to change the contents available on this website or the products mentioned at any time without notice.
3. In no event will Logic Technology BV nor any of its affiliates, subsidiaries, directors, agents, employees or other representatives be liable for any direct, indirect, special, incidental, consequential, punitive, and/or exemplary damages including without limitation, loss of profits or revenues, loss of data, and/or loss of business, in connection with this website or the use of or inability to use this website or reliance on the contents contained herein, even if Logic Technology BV is advised of the possibility of such damages.
4. Logic Technology BV may recommend use of software, information, products, or web sites that are owned or operated by other companies. Logic Technology BV offers or facilitates this recommendation by hyperlinks or other methods to aid your access to the third-party resource. While Logic Technology BV endeavors to direct you to helpful, trustworthy resources, Logic Technology BV cannot endorse, approve, or guarantee software, information, products, or services provided by or at a third-party resource or track changes in the resource. Thus, Logic Technology BV is not responsible for the content or accuracy of any third-party resource or for any loss or damage of any sort resulting from the use of, or for any failure of, products or services provided at or from a third party resource.
5. Logic Technology BV recommends these resources on an "as is" basis. When a third party resource is used, you will be subject to its terms and licenses and no longer be protected by our privacy policy or security practices. You should familiarize yourself with any license or use terms of, and the privacy policy and security practices of, the third party resource, which will govern your use of that resource.
6. The copyrights to this website are reserved by Logic Technology B.V. No part of the content of this website may be reproduced or otherwise made public without the prior written permission of Logic Technology B.V.
7. If any provision or part of a provision of this disclaimer shall be, or be found by any court of competent jurisdiction or public authority to be, invalid or unenforceable, such invalidity or unenforceability shall not affect the other provisions or parts of such provisions of this disclaimer, all of which shall remain in full force and effect.
8. Dutch law applies and the competent court in Roermond (Netherlands) has jurisdiction.
